

5 Steps to Becoming an Educational Change Agent

Want to be a change agent at your school? Corwin Institutes can help you get started!

Learn from experts in the industry

Our speaker lineup consists of reputable authors and topic experts that have a thorough understanding of what is needed to make the greatest impact on student learning and achievement.

Engage in thought-provoking conversations

Each institute offers attendees the opportunity to connect and collaborate with colleagues, educators, and the top educational leaders from across the globe.

Gain insight into the latest learning innovations

Attend breakout sessions specifically designed to deliver training that helps you build capacity and have a positive impact on instructional practices.

Discover how to translate groundbreaking research into practice

Tap into the Visible Learning research and learn how to apply it to maximize student potential.

Make immediate impact in your schools

Become equipped with the ideas, strategies, and best practices to create actionable plans that can be executed in your school or district right away.
