Resource 9.3 Family Survey—Letter of Introduction

Dear family,

Congratulations! Your child will be entering kindergarten this upcoming fall at _____ School. We are so excited to welcome you and your child to _____ School. In order to provide our kindergarten teaching faculty with more information about your child, we are asking you to please complete this questionnaire. Please be as objective and honest as you can. We know that all children are very different, and children vary in their strengths and challenges. The information you provide on this form will help us create balanced classrooms so that we can be ready for *all* entering kindergartners and do the best that we can to ensure that they have a happy and smooth start to school.

Please return this form to the _____ School office by June 1, 20__.

Many thanks,

Principal, _____ School
