

# What is Collaborative Leadership?

Developed by  
**Peter DeWitt**

*Inspired by  
John Hattie's  
influences*

**Collaborative  
Leadership**  
focuses on:

## Collective Teacher Efficacy

What teacher efficacy means and the methods of which to achieve it with your staff

## Assessment Capable Learners

High-impact learning strategies and practical examples

## Feedback

Understand the necessary components to give and receive feedback

## Family Engagement

How to effectively build dialogue with families

## PD (Professional Development) Programs

Research-based strategies to make the greatest impact when initiating PD

## Principals/School Leaders

*Referred to as Instructional Leadership*

Research-based practices to help leaders partner with teachers on instructional strategies/student engagement

**FOSTER** a supportive and inclusive school climate

**INCREASE** academic and social-emotional learning

**MAXIMIZE** the efficacy of all school stakeholders
