Learning Intentions

• Provide participants with background on flipped model
• Provide examples of how the flipped model can be used
• Brainstorm ways in which the flipped model can be used by authors/consultants
#fliplead
What is Flipping?

• We all have “Learning Intentions”
  – With:
    • Students
    • Teachers/Staff
    • Parents
  – Hopefully, those intentions have been co-created with stakeholders
What is Flipping?

• Find engaging ways to address those learning intentions
  – Video
    • Made by you
    • Made by others (Khan, YouTube, Teacher Channel)
  – Research-based articles
  – Blogs

What is Flipping?

- Send it to the intended audience before a meeting of classroom discussion
  - Students
  - Teachers/Staff
  - Parents
- They view it at their leisure before a meeting
What is Flipping?

- Dig down deeper when you meet all together
  - Discuss
  - Debate
  - Dissect
  - Review
  - Reflect

What would/could you flip?

- Use the chat function and share your thoughts with us

  OR

- Tweet with hashtag #fliplead and let us know!
Some Ideas…

• Use students in the process
  – Brand your school
  – Parents love to see their children
• Have colleagues flip for you
  – They can create a video for your staff
• District-wide updates that can be e-mailed and uploaded to Facebook or through Twitter
